Dear Companion Prayer Group Leader,

May the peace of the Lamb and His Mother Mary be with you! Sound the trumpet! The time has come for our The Intercessors of the Lamb to go global. You are a most important part this process – you are the face of the Intercessors of the Lamb to a world who does not yet know the power of silence, solitude, prayer and penance; you are the ones who “listen to that small, still voice within,” you are the ones who pray with the power of informed intercession.

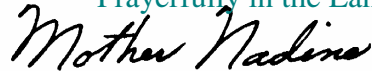

Our web page is in its final stages of development and we want to include a section called “Companion Locator,” which will include the name and contact information of our Companion groups around the world. This will allow those who are interested in joining or forming an Intercessors of the Lamb Prayer Group to find a local contact.

Please prayerfully consider allowing us to publish your contact information on our web page. If you cannot do this, as a leader, consider having another member of your group become the web site contact person.

If you are willing to become an active part of our global outreach, we must have a signed release from you before publishing this information to our web site. Please fill out the information below, sign it, date it and return it to us as soon as you can. Be sure to keep a copy for your records. Inform us of any changes in writing on a timely basis.

May God bless you. Thank you for considering this call.

Prayerfully in the Lamb,
